

PHI KAPPA TAU

BETA OMEGA | CHICO STATE

SPRING NEWSLETTER 2023

We celebrated Bid Night this past weekend after a very succesful rush week put on by our VP of recruitment Logan Johnson. 31 bids were handed out after a long week of house tours, dodgeball and poker night at the Phi Tau mansion.

Last weekend we had a huge storm here in Chico and the surrounding areas. On top of that Butte Meadows got about 3-4 feet of snow so, a few brothers took it as an oppurtunity to go on a short day trip. We went off roading on back roads throughout Butte Meadows and had an overall successful day thanks to Brotherhood Chair Shabad Kalotia!

SPRING NEWSLETTER 2023

As we do every semester our scholarships for academic achievements were given out at the end of fall semester. Congratulations to this list of brothers and their academic achievements!
